**COST**

Girls Incorporated is a licensed child care program which accepts child care vouchers and offers our private pay clients a scholarship fee structure based on family size and income. Rates starting as low as \$95.00 per week are available.

**Space is limited!!!** Available slots are filled on a first come first serve basis. To insure your child's summer, choose the weeks you would like her to attend: pay the first week's fee in full and a **non-refundable** deposit of 50% of your weekly fee for each additional week you wish to reserve. To maintain your child's place in the program, all fees must be settled with the business office the week *preceding* the week of enrollment. Late payment may jeopardize your child's enrollment; full payment is expected for all weeks reserved.

Early drop-off (7:30 to 8:30 a.m.) OR late pick-up (6:00 p.m.) is available for an additional \$5 per day and must be paid in advance.

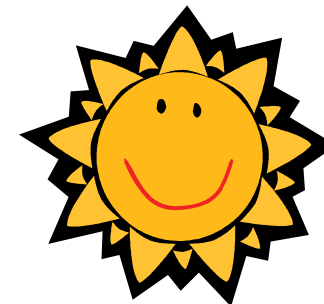

**REGISTRATION**

Already a member: registration is a snap! Fill out the attached Summer Registration Form (on the panel to the left); call the Business Office to confirm your weekly rate (subject to verification); then mail or drop off the completed summer registration form with the required deposit for each week.

Not a member? Joining is easy! Complete the membership package and submit it to the Business Office along with the \$15.00 annual membership fee at the time of registration! Membership forms are available online or by calling Girls Inc.
