

# Girls Inc. April Vacation 2018

*"Behind Every Successful Women Is Herself"*

**Monday, April 15th:**

**Fun &Fit**

**Members will be able to wear their favorite workout gear to Girls Inc. and learn fun and innovative ways to stay active! Girls will have an action packed day caring for and knowing their bodies.**

**Tuesday, April 16th:**

**Women Warriors**

**Members can come dressed up as their favorite female leader and learn about the importance of women's rights! Girls will participate in activities that celebrate both historical and contemporary women who defend our position as females.**

**Friday, April 20th:**

**Eco-Adventures**

**Members be prepared for an adventure! Girls can come dressed for a safari, underwater exploration or jungle adventure and learn about environmental sciences. Members will play Earth Day themed games and gain knowledge about ecological systems.**

**Wednesday, April 17th:**

**Chemistry Queens**

**Members will spend the day being the STEM stars they truly are! Girls will learn about The Scientific Method, properties of chemical reactions and play periodic table gams. Members can come dressed as a "mad scientist!"**

**Thursday, April 18th:**

**Cool Community**

**Girls will learn about the vast history and rich culture the Lowell they live in has to offer. Members will engage in fun Lowell history games and creating community improvement plans. Come dressed as a famous "Lowellian"**
