Inspiring all girls
to be strong,
smart, and bold

Summer 2019

Girls Incorporated of Greater Lowell Activity Schedule for Week Two: June 24-28

Contemporary

Queens

MONDAY

Welcome to WEEK 2 of the 2019 Summer Program! Free lunches will be provided this week thanks to the Lowell Healthy Summer Program.

We'll kick off Week 2 today with Get-To-Know-You games and special group time during the morning hours, where everyone will have a chance to meet their group leaders and get to know some new friends. The afternoon will be divided into three hour-long intentional activity sessions, during which girls will rotate through age group activities. Groups 1-3 will be: reading "The Doctor With an Eye For Eyes" and drawing their ideal futures; dancing through the alphabet and creating their own spelling games; and creating recycled newspaper owls and learning about trash. Groups 4-6 will be: making no bake breakfast fruit tarts; decorating drumming buckets and creating logos; and working on a movie script as a team. Groups 7-9 will be: learning how to differentiate between sensationalized and true stories in the media; creating their own water coloring paintings; and tracking the foods they eat throughout a day. The day will wrap up with snack and group games.

TUESDAY

Girls and staff will meet at Girls Inc. this morning for exciting group challenges and projects, followed by activities in the afternoon. Groups 1-3 will enjoy: learning about the moon and creating multi-medium night skies; spelling words related to acting and acting out examples; and exploring and making scratch instruments. Groups 4-6 will be: discussing good manners and what respect means; learning about Greek mythology and writing about and drawing their own idea; and practicing using knitting sticks. Groups 7-9 will be: exploring schematics and how sound can be converted into electricity; making ice cream sundaes and learning about the dairy industry; and practicing basketball skills and learning about female sports legends. The day will end with snack and general group activities.

Special Notice

Girls Inc. will be closed next Thursday and Friday, July 4 and 5.

This Week Sponsored by National Grid

The power of action.

WEDNESDAY

Olders (Groups 6-9)- International Contemporary Museum of Art, Boston, MA

At the International Contemporary Museum of Art, older members will not only get to view world-class, interactive exhibits, but they will also have the chance to pick up a paint brush and be the artist! Guided by professional staff, museum members will participate in guided activities to create and re-create the art from the exhibits and

experience the expression of self through artistic mediums.

Your day kit should contain drinking water and good walking shoes.

Youngers (Groups 1-5)- Drama Camp & Talent Show, On-Site

On-site at Girls Inc., younger members will have the opportunity to flex their dramatic skills in a series of improv and theater workshops during the morning hours. Following lunch, members will use their morning lessons to create original performances for the annual Summer Talent Show.

No Day Kit Necessary

THURSDAY

The girls will begin this fun filled day with local "Mini Field Trips," during which they will explore a variety of organizations, museums, galleries and businesses in the Lowell area! In the afternoon, Groups 1-3 will be: learning Hip Hop Dance; discovering the wonders of shadow science; and discovering current events from the week. Groups 4-6 will enjoy: discussing who inspires the girls in their lives and doing a craft; learning the basics of cross-stitch; and investigating politician Ayanna Pressley and making a mock Instagram profile for her. Groups 7-9 will be: learning the essentials of skincare; participating in an appreciation inquiry, focusing on strengths; and doing a master chef challenge with bananas. The day will end with group games and a healthy snack.

FRIDAY

Friday morning will kick off with group challenges, followed by lunch. Activity time will follow where Groups 1-3 will have activities including: practicing drama skits in teams; learning about different species of cats and how they are present in superstition; and creating healthy teeth care habits. Groups 4-6 will enjoy: participating in a density and buoyancy boat challenge; creating patterns of the universe and decorating them with a Voronoi diagram; and creating chocolate covered Oreo frogs. Groups 7-9 will be; learning how to take head shots in photography; practicing problem solving through character creation and improv activities; and writing a short story related to contemporary queens. The week will end with fun group activities and snack.
