During tough times, we rely on the support of friends, and our friends rely on us. As the pendulum swings from good times to challenges, being there for one another is essential and, quite simply, the right thing to do. All of Lowell’s non-profit organizations need assistance during this time of year, especially this year with increased unemployment, food insecurity, lack of sufficient child-care, homelessness, and the overwhelming emotional strain of the COVID pandemic.

When choosing where to focus your holiday charitable giving we ask that you sign up to sponsor or make a cash or item donation to Girls Inc. of Greater Lowell’s online auction. We also ask that you spread the love and support local businesses when selecting your donation — many local businesses have endured one of the most difficult years on record and will appreciate the support of their loyal customers. For example:

- Purchase a gift card to a local restaurant, café, or retail store
- Purchase an item or a service from a local business
- Support local artists by purchasing items from one of Lowell’s art studios

Several of Lowell’s non-profit organizations will host online auctions throughout the holiday season. We’re asking again for you to spread the love! Curl up on your couch, log on, and shop them all! You’ll find some great, one-of-a-kind gifts to give to your loved ones, while giving back to Lowell businesses, and to Girls Inc. That’s a 3-for-1 deal that will give you all the feels meant to be felt during this time of year.

Girls Inc., our fellow non-profit organizations and the businesses in our community are all in this together. Please join us as we share the hardships and the prosperity as one united community. By sponsoring this event you will be a buddy, a friend, or a best friend forever! By donating an auction item, you will help us attract more shoppers and more donations! Whatever your level of giving, be assured all of us at Girls Inc. are grateful for your many gifts that ensure we’re able to provide a safe space in which all girls are empowered to be STRONG, SMART and BOLD.
